WORKERS MEMORIAL DAY

Summary of an article written by Patrick Munsey of The Kokomo Lantern

Read the full article here:

<https://www.kokomolantern.com/blog/c/0/i/88233549/death-felt-all>

On April 28, Kokomo gathered to honor Workers' Memorial Day, a solemn reminder of the lives lost on the job. UAW Local 1166 President Dave Willis, who has personally experienced the loss of coworkers, delivered a powerful message about the emotional toll of these tragedies:

"I'm here to tell you, it affects you just like you were blood," Willis said. "And it's something I never want to go through again."

The ceremony at Highland Park, organized by union retirees and leaders, emphasized the ongoing fight for workplace safety and the importance of OSHA. With 5,283 U.S. workers killed on the job in 2024, the call for stronger protections and accountability remains urgent.

REGION 2B CSC ADVISORY COUNCIL DAY OF GIVING

I have the privilege of being a Member at Large on the Region 2B Community Service Committee Advisory Council. The advisory council was held at Sawmill Creek Resort in Huron, Ohio. The purpose of advisory council meetings is to discuss the goals and missions for community service at our locals.

We did something a little different this time. We had our regular meetings and also a Day of Giving. We were able to gather items through donations from members and our director, David Green, to carry out a day of service at a local nursing home. The name of the nursing home was The Meadows at Osborn Park.

There, we did a meet and greet with the recreation director and their union representative. They brought some of the residents out, while others stayed in their rooms, and we were able to pass out goodie bags in both the recreation area and individual rooms. Goodie bags included soap, toothpaste, toothbrushes, a throw blanket, plastic coffee cups with lids, cocoa mix, non-slip socks, hairbrushes, combs, and lanyards with card holders. Each bag also came with an inspirational card, signed by the members of Region 2B.

After we handed out the goodie bags, one of the ladies in the facility sang a church hymn that made the hair on my arms stand up—I felt every word she sang. Then, some members and staff got together and performed a dance, "The Electric Slide," for the residents. A member from our group also sang another church hymn before we all returned to our lecture hall.

While back at the lecture hall, we discussed our thoughts on how it went, what could have gone even better, and ideas for our next Day of Giving. We were all delighted that we came together and made some folks' day. The residents were very thankful and continued their day with an ice cream sundae bar they had been promised.

I received news that we were featured in an article in the Huron local newspaper with the headline "United Auto Workers Support Seniors." That is a huge gratification for all of us. I want to thank the members and the board for allowing me to be a part of such great things.

In Solidarity,
Copper Hoosier
