UNION MADE

Not all goods are manufactured ethically by companies that believe in supporting their workers.

That's why shopping for union-made products matters.

In many cases, the same products are made by union and non-union employees; many manufacturers produce goods in the U.S. and other countries. Therefore, not all products made by the same company are union made. It is important to check product packaging for country of origin and, of course, the union label.

By shopping for products made by union workers in North America, you can rest assured that the goods were produced in facilities run by companies that treat their workers with respect, value their abilities, and compensate them fairly for their labor.

BUDDY BAGS

288 kids in Howard County go home with a Buddy Bag of food for the weekend.

Some of our Community Service Committee teamed up with United Way of Howard and Tipton Counties to prep Buddy Bags for 5 schools in Howard County! These Buddy Bags are distributed to 288 children in our area!

The Buddy Bag Program, run by United Way of Howard and Tipton Counties, provides more than 300 Buddy Bags a week to local schools so that no student goes home hungry on the weekend. Each week, volunteers pack and deliver the bags.

WANT TO HELP?

If you would like to volunteer with our committee for the Buddy Bag program, please reach out — there are still open slots for November! Donations to the program can also be made through United Way at howardandtiptonunitedway.org/buddy-bags.

Thanks to everyone that came out and supported us with our breast cancer fundraiser, Sip and Paint! We had lots of fun doing it, and everyone did some nice paintings.

REGION 2B ADVISORY COUNCIL

Our Community Service Committee joined brothers and sisters in Maumee, Ohio, to share ideas and put them into action.

Members of the Region 2B Community Service Committee at the Fall Advisory Council in Maumee, Ohio.

By Alisha Grimes, Community Service Committee Chair

Copper Hoosier and I had the opportunity to attend the UAW Region 2B Community Service Committee Fall Advisory Council in Maumee, Ohio, this past week, and it was an incredible experience!

The meeting brought our brothers and sisters together to share ideas, collaborate, and explore meaningful ways to give back to our Region 2B communities. Together, we put those ideas into action and made a difference!

During our spring meeting, our class created a list of nonperishable food items for each member to bring to the fall council, along with a $20 cash donation, to begin stocking a food pantry at our Region 2B Headquarters. However, during our breakout session, we learned that our brothers and sisters of UAW Local 2192, who work for Lorain County Job and Family Services, have been on strike since February 18, 2026. With that in mind, we decided our donations could make a more immediate impact by supporting those who needed them most. Instead of going to the pantry, our food donations were loaded up and sent directly to Lorain County to support our brothers and sisters on the picket line.

In addition to the food donations, our class collected $330 in cash contributions. A group of members went out and purchased essential supplies, including toilet paper, laundry detergent, Ziploc bags, baby wipes, toothpaste, and other necessities to send to Lorain County as well.

We also organized a state-themed raffle basket fundraiser! Members from Indiana brought items made in our home state, while our Ohio classmates contributed products made in Ohio.

Left to right: sorting the food pantry items, a council session, and members packing up donations.

$1,800 raised by state-themed raffle baskets for a future Day of Service in Fort Wayne

Together, we created raffle baskets representing each state and raised an impressive $1,800! These funds will support a future Day of Service in the Fort Wayne, Indiana, area during our next council meeting in April.

Copper and I were also proud to bring items made by members of our own plant to contribute to the fundraiser. A special thank-you to Matt and Jennifer McGregor for making two 3D-printed mini bars and to Emily Mentis for making the delicious caramel chocolates, which happen to be one of Copper's favorites! We appreciate everyone who took the time to contribute and help make this a success!

We are incredibly thankful to UAW Local 1166 for giving us the opportunity to attend this advisory council. It was inspiring to see our brothers and sisters come together to share ideas, support one another, and make a meaningful difference in our Region 2B community.

This is what the UAW is all about: solidarity, service, and standing together to support one another.

In Solidarity,
Alisha Grimes
Community Service Committee Chair
