**EMPLOYEE ASSISTANCE  
PROGRAM**

**My name is Craig Eden and I'm the UAW International appointed Representative for Local 1166. I have been at Chrysler 29 years and started out in Die Cast. I took an apprenticeship through Chrysler and became a Toolmaker. Around 8 years ago I had a daughter that was needing help and I went through the EAP(Brian West) and got her help. After that Brian asked me if I would be interested in helping people with various problems as his alternate. After Brian's passing I eventually got the job as EAP for 1166.**

**The EAP job can be quite the handful at times but also can be so very rewarding when you can help to change someone's life for the better. We have a great program that our union negotiated for and should be utilized by its members who need help. I am always available to anyone who asks for help and have several resources that can assist them in getting the help they need. Thanks for your time and letting me represent in this process.**

# EDUCATION COMMITTEE

**DETROIT** – After a meeting of the UAW International Executive Board, the UAW announced today that it has increased its weekly strike pay for members from \$275 per week to \$400 per week. Eligibility for weekly benefits will still begin on the 8th day of a strike. In addition, the UAW eliminated a provision that a member may not receive UAW strike benefits if the member received unemployment benefits.

“UAW members who strike are fighting to hold their employers accountable,” says UAW President Ray Curry. “Our striking members and their families deserve our solidarity, and this increased benefit will help them hold the line.”
