**My name is Craig Eden and I'm the UAW International appointed Representative for Local 1166. I have been at Chrysler 29 years and started out in Die Cast. I took an apprenticeship through Chrysler and became a Toolmaker. Around 8 years ago I had a daughter that was needing help and I went through the EAP(Brian West) and got her help. After that Brian asked me if I would be interested in helping people with various problems as his alternate. After Brian's passing I eventually got the job as EAP for 1166.**

**The EAP job can be quite the handful at times but also can be so very rewarding when you can help to change someone's life for the better. We have a great program that our union negotiated for and should be utilized by its members who need help. I am always available to anyone who asks for help and have several resources that can assist them in getting the help they need. Thanks for your time and letting me represent in this process.**

## Flag Day June 14<sup>th</sup>

Flag Day is celebrated in America on June 14, commemorating the day the first flag resolution was passed. On June 14, 1777, less than one year after Betsy Ross had received the order from General Washington to make the first flag, the Second Continental Congress passed a flag resolution stating:

Resolved, That the flag of the United States be thirteen stripes, alternate red and white; that the union be thirteen stars, white in a blue field, representing a new Constellation. The first national observance of Flag Day was on June 14, 1877; 100 years after the flag resolution was adopted by the Continental Congress.

In the late 19th century, schoolteachers all over the United States began conducting patriotic ceremonies commemorating Flag Day as a way to teach children about history. One such schoolteacher, Bernard J. Cigrand, is often referred to as the "Father of Flag Day." He lobbied Congress for many years for Flag Day to be officially observed.

Other patriotic groups, including the Colonial Dames and the Sons of the American Revolution, also spent years trying to convince Congress to make Flag Day official. In 1916, President Woodrow Wilson issued a proclamation stating that June 14 shall be National Flag Day, and in 1949, it was made official by an Act of Congress.

On June 14, 1891, the Betsy Ross House began publicly celebrating Flag Day, and has been celebrating Flag Day every year since 1911. Since 2008, the Betsy Ross House has revived the patriotic zeal of the earliest celebrations with Flag Fest – an all day, old-fashioned, family fun street fair

## Father's Day June 19<sup>th</sup>

Father's Day, celebrated in the United States on the third Sunday of June, got a jump start from the formation of Mother's Day. Credit for beginning Father's Day celebrations is given to Sonora Smart Dodd from Spokane, Washington.

At the turn of the century, Mother's Day observances were growing across the United States. The federal government had yet to recognize the holiday, but many states had adopted the third Sunday in May as a special celebration day honoring mothers. It was during a Mother's Day church service on June 20, 1909, that Sonora Smart Dodd was struck with the idea of creating a special holiday to honor fathers, too.

When Sonora was 16, her mother died while giving birth to her sixth child, the last of five sons. Back then, like today, single parenthood was no easy task. By Sonoma's account, though, Mr. Smart did a wonderful job. Because of this love and esteem, Sonoma Smart Dodd believed that her father deserved a special time of honor just like that given to mothers on Mother's Day.

In 1909, Sonoma Smart Dodd approached the Spokane YMCA and the Spokane Ministerial Alliance and suggested that her father's birthday — June 5 — become a celebration day for Father's Day. Because they wanted more time to prepare, the Ministerial Alliance chose June 19 instead.

The first Father's Day was thus observed in the State of Washington on June 19, 1910. The idea of officially celebrating fatherhood spread quickly across the United States, as more and more states adopted the holiday. In 1924, President Calvin Coolidge recognized Father's Day as the third Sunday in June of that year and encour-

aged states to do the same. Congress officially recognized Father's Day in 1956 with the passage of a joint resolution.

Ten years later, in 1966, President Lyndon Johnson issued a proclamation calling for the third Sunday in June to be recognized as Father's Day. In 1972, President Richard Nixon permanently established the observance of the third Sunday in June as Father's Day in the United States.

Sonora Smart Dodd lived to see her idea come to fruition. She died in 1978 at the ripe old age of 96.

# Recreational Committee

Wendy Browning—Committee Chair

I want to thank our local 1166 executive board for allowing me and a few others to attend the region 2B leadership and advisory Council meetings. They were held in Fort Wayne at the grand Wayne convention center in the 26 through the 28th. I would also like to thank local 2209 for hosting the event. They did a wonderful job!

Speakers included Wayne Blanchard, Region 2B Director, Ray Curry UAW International President and Frank Stuglin, UAW International Secretary-Treasurer.

There were around 350 members that attended this event. We were separated in breakout by committees. We exchanged ideas with members from the other Locals in our breakout. We also came up with new ideas for our individual committees. We all agree that Covid set all committees back. Also, I gained some knowledge on Region.

It was nice to get to meet other people from different locals and to sit together and talk to members from our own local that I usually don't see often and I got to know them a little better.

Thank you again,

Wendy Browning  
Recreational Committee Chair

# Education Committee

Duane Wyant - Committee Chair

First and foremost, I would like to thank everyone who ran for the delegate positions. I would also like to thank the Election Committee who did an outstanding job for their first election. Lastly, I would like to thank all of our brothers and sisters who took the time out of their day to come out and vote!

These brothers and sisters are going to have a voice for our plant at the National Constitutional Convention in July which will be a historical event for the UAW. If you see them around the plant, be sure to congratulate and wish them luck as they prepare for their upcoming roles as our newest delegates.

I look forward to the convention scheduled for last week of July in Detroit, Michigan and I will keep the membership updated of the outcomes. I also want to Thank our union Brothers & sisters that ran for delegates Brian Williams, Mary Ann Green, Terry Doran, and Hannah Fields Bolinger. Brothers and Sisters its time for this local and the UAW to stop fighting between us and please start getting active. Just like the vote last year everyone got in the mail to this Delegate election please start taking the time to **reply, vote**, attend union meetings, or join an active local committee. There are many events scheduled in the next 12 months that the local needs everyone's assistance and strength.
