**EMPLOYEE ASSISTANCE
PROGRAM**

My name is Craig Eden and I'm the UAW International appointed Representative for Local 1166. I have been at Chrysler 29 years and started out in Die Cast. I took an apprenticeship through Chrysler and became a Toolmaker. Around 8 years ago I had a daughter that was needing help and I went through the EAP(Brian West) and got her help. After that Brian asked me if I would be interested in helping people with various problems as his alternate. After Brian's passing I eventually got the job as EAP for 1166.

The EAP job can be quite the handful at times but also can be so very rewarding when you can help to change someone's life for the better. We have a great program that our union negotiated for and should be utilized by its members who need help. I am always available to anyone who asks for help and have several resources that can assist them in getting the help they need. Thanks for your time and letting me represent in this process.

CHAPLAIN UPDATE

Terry Lindsay, UAW LOCAL 1166

On Behalf of the Officers, Members and Retirees of Local 1166, may we offer our deepest condolences to the families of our brothers and sisters who have recently passed away. May God comfort all of you in your loss.

How to Update Your Unemployment Timeline

Doug Harnish: 1166 VP and 1166 Unemployment Rep 765-480-9196

Over the last several weeks many have had some difficulty with filing their unemployment vouchers, and the majority of those issues have been due to not correcting your timeline. I wanted to walk you through the correct process in efforts to ease the frustrations that many of you have been facing due to this one step.

File Your Weekly Voucher for Unemployment Insurance Benefits

You have until 8:59 p.m. on the Saturday after the last day in a voucher week to submit a timely voucher for unemployment insurance benefits. For example, if you wish to claim unemployment insurance benefits for the week of Sunday, January 15th, through Saturday, January 21st, you must submit your voucher no later than 8:59 p.m. on Saturday, January 28th. Failure to submit your voucher on time may affect your benefits. If you appealed a denial of your benefits, you must continue to submit timely vouchers during the appeal process. A late voucher filing is allowed only when the Department determines that good cause existed for you to file the voucher late.

Field(s) marked with an asterisk * are required.

Select the week for which you would like to file.*
(Only one week may be selected at a time)

- 12/25/2022 - 12/31/2022
- 01/01/2023 - 01/07/2023
- 01/08/2023 - 01/14/2023
- 01/15/2023 - 01/21/2023
- 01/22/2023 - 01/28/2023
- 01/29/2023 - 02/04/2023
- 02/05/2023 - 02/11/2023
- 02/12/2023 - 02/18/2023

What You Need To Know

The following screens will include questions regarding all of the places where you may have worked since 12/18/2022. Employers that have reported wages under your Social Security Number will be displayed to you on the next few screens. If you have had additional employment since 12/18/2022 that is not displayed on the following screens, you may add that employment on the following screens.

You will need the following information ready for each of your employers before continuing to the next screen:

1. Approximate start date
2. Separation date or the last day you worked
3. Work schedule
4. Reason for separation
5. Check stub and/or rate of pay

Please be as accurate as possible when answering questions about your work history. Inaccuracies can lead to a delay in your benefits, as well as corrections that can cause overpayments on your claim.

If you need to take a break to gather the information listed above regarding your employers since 12/18/2022 that have not been reported, select "Save and Logout". You will be able to log back into your Uplink account and complete your claim at any time outside of the hours between at 8:59 p.m. Saturday and 12:00 a.m. Sunday.

[Save & Logout](#)

If you are ready to tell us about any unreported employment since 12/18/2022, choose "Continue".

[Back](#) [Continue >](#)

1. After opening your voucher, select the earliest week you are filing for. In this example the voucher is for 2/12-2/18. You will notice that this person was laid off the week before Christmas and that was it.

4. READ CAREFULLY AND SELECT CONTINUE

YOU WILL NOT BE PAID FOR BACK WEEK(S) - CAREFULLY READ THIS INFORMATION

You said you want unemployment benefits money for the week of 02/12/2023 through 02/18/2023. You skipped the week(s) of 12/25/2022 through 02/11/2023. If you want to claim benefits for those week(s), you must request the benefits starting with the oldest week you want to claim.

You may continue requesting benefits for the week you selected; however, if you do so, you will not be able to claim the older week(s). You will not be paid for those week(s) if you continue.

If you want to claim the older week(s), choose "Go Back." If you want to continue to claim the week of 02/12/2023 through 02/18/2023, choose "I DO NOT WANT the older week(s)."

30 AND OUT?

Duane Wyant: Education Chair

As I was sitting in the breakroom the other day playing cards with the guys I have played cards with for the last 15-20 years, I had the epiphany *Hell, there are only a few of us left!* When I started 28 1/2 years ago, I thought retirement was a long ways away; I don't have to worry about that yet. I am now looking back at those thoughts I had and realize I only have a year and a half left until I get my 30 years in! I'm looking and watching some of my really good friends, who I call brothers and sisters and love and care about them as such, are considering the same choices for retirement and many already have which I very much enjoy listening to their future plans. But here is my dilemma, and I am sure it is one that many of my brothers and sisters in the same boat I am in are facing: How do you know it is time? I used to think that *as soon as I get my 30 in, I am out!* But now I am almost there and it is a little scary to consider the fact that things will change once you do. Hell, all I know is this factory life and what do I do now? My wife and I have discussed different options of what we want to do and where we want to be in the future. It would be awesome for sure, but hell, it's a little scary too at the same time. When I look at my parents doing all the traveling they do and all the things they are able to experience and it is awesome to see, right now as I write this, they are on a cruise having the time of their lives. My dad has been out of

this factory for 25 years this year and I have enjoyed watching them do every adventure they take, no matter where they go, they always make it a great experience. So hopefully one day, I will make those adventures mine and I know we will. I have talked with my wife and my parents and my dad told me this "you will know when it's time, when you're ready you will know". I think I am ready, but it is still a hard choice, but I believe I will do at least 3 more years, I still young(ish). So until then: One day at a time!
