OFFICE: 765-454-1066
CELL: 765-610-3536**

My name is Craig Eden and I'm the UAW International appointed Representative for Local 1166. I have been at Chrysler 29 years and started out in Die Cast. I took an apprenticeship through Chrysler and became a Toolmaker. Around 8 years ago I had a daughter that was needing help and I went through the EAP(Brian West) and got her help. After that Brian asked me if I would be interested in helping people with various problems as his alternate. After Brian's passing I eventually got the job as EAP for 1166.

The EAP job can be quite the handful at times but also can be so very rewarding when you can help to change someone's life for the better. We have a great program that our union negotiated for and should be utilized by its members who need help. I am always available to anyone who asks for help and have several resources that can assist them in getting the help they need. Thanks for your time and letting me represent in this process.

Unity in Action: American Workers' Stand Up for Union Representation

by Duane Wyant

What we saw last week with the American workers' movement is exciting, and watching it unfold in front of us is amazing. We have power as long as we stand together in unity and watch VW workers stand up and now fight for what is right, and that is union representation. The VW workers voted to organize for three days; they have 4,300 hourly workers, and they passed the vote by 73%. The UAW tried to organize in Chattanooga back in 2019 and 2014, and they were unsuccessful. The UAW International has a lot of other companies' workers wanting to stand up, such as BMW AG, Toyota Motor Corp, and Nissan Motor Company AG. A second UAW election will be held at Mercedes Benz Group in Tuscaloosa, Alabama, from May 13th to 17th. It's a great time to be a UAW member, and the non-union workers see this, and they want bigger and better pay, working conditions, and representation. They are tired of always being pushed down and want to **STAND UP** now and fight. So, instead of standing on the sideline, get involved and make change for us all. Let's keep the workers' movement going. Come out to our local union meeting in May on the 11th at 9 AM.

- MIKE EVANS**

As Memorial Day approaches, let us reflect on its true significance and express our deepest gratitude to the brave men and women who have served our nation.

Memorial Day is more than just a long weekend; it's a time to pay tribute to those who made the ultimate sacrifice while defending the freedoms we hold dear.

We owe an immeasurable debt of gratitude to the veterans who put their lives on the line, leaving their families and loved ones behind, to protect our nation and uphold the values we cherish. Their selflessness and bravery are nothing short of extraordinary.

Today, let us pause and remember the fallen heroes who made the ultimate sacrifice, as well as the veterans who have served and continue to serve with honor. Take a moment to express your appreciation to a veteran in your life, whether it's a simple "thank you" or a heartfelt message of gratitude. Your words can mean the world to those who have dedicated their lives to serving our country.

Let us also remember the families of our service members, who have endured immense sacrifices and supported their loved ones during times of deployment, uncertainty, and loss. Their strength and resilience are an inspiration to us all.

While we remember and honor those who made the ultimate sacrifice, we must also reach out to our veterans, check in on them, and let them know they are not alone. It's important to recognize the challenges they face long after their service.

Approximately 22 veterans tragically lose their lives each day to suicide. This staggering statistic serves as a stark reminder that our duty to support and care for those who have served goes beyond mere words of appreciation.

As we express our gratitude to those who made the ultimate sacrifice, let us also remember the ongoing battle our veterans face within themselves. Together, let's ensure they know they are seen, heard, and supported, so that their sacrifices are not in vain. May we never forget the sacrifices made by our veterans, and may their legacy live on in our hearts.
