**EMPLOYEE ASSISTANCE
PROGRAM**

My name is Craig Eden and I'm the UAW International appointed Representative for Local 1166. I have been at Chrysler 29 years and started out in Die Cast. I took an apprenticeship through Chrysler and became a Toolmaker. Around 8 years ago I had a daughter that was needing help and I went through the EAP(Brian West) and got her help. After that Brian asked me if I would be interested in helping people with various problems as his alternate. After Brian's passing I eventually got the job as EAP for 1166.

The EAP job can be quite the handful at times but also can be so very rewarding when you can help to change someone's life for the better. We have a great program that our union negotiated for and should be utilized by its members who need help. I am always available to anyone who asks for help and have several resources that can assist them in getting the help they need. Thanks for your time and letting me represent in this process.

CHAPLAIN UPDATE

Terry Lindsay, UAW LOCAL 1166

On Behalf of the Officers, Members and Retirees of Local 1166, may we offer our deepest condolences to the families of our brothers and sisters who have recently passed away. May God comfort all of you in your loss.

WOMEN'S COMMITTEE

Committee Chair: Rochelle Swygert

I would like to take this opportunity to express my heartfelt thanks to my Local 1166. I really appreciate the opportunity to be involved in the Women's Conference 2022 at Black Lake. I met some wonderful women there and learned a great deal in the lecture hall and classes. We had many wonderful speakers throughout the week providing us with Valuable information to help us when needed. If anyone is given the opportunity go, you should. After being there that week It made me want to get more involved in different committees. The solidarity in the room was amazing!

I am proud to be a member of local 1166. Thank you again for the opportunity
~Natalie

ATTENTION!!!!

The Women's Committee is looking for new members or even individuals that would like to help out at events. Men and women are welcome, no matter what, we have a place for you! Come out and join us at our next meeting! We meet directly following the regular monthly membership meeting.

WOMEN'S COMMITTEE

Committee Chair: Rochelle Swygert

President Willis
Vice President Harnish,

I just want to thank my local 1166 and the Women's Committee for sending me to the 2022 Women's Committee Conference held at Black Lake's Walter and May Reuther UAW Family Education Center.

Being brand new to the Women's Committee and fairly new as a steward it was a bit overwhelming at time, but I took this opportunity as an honor and took in everything I could. I was able to attend many lectures with profound speakers such as -but not limited to- President Curry, Vice President Estrada, and Ashley Lewis, and being a woman in the union how can you not be inspired by those two women?

The instructors were great! Covering a few courses throughout the week, and they made everyone participate, what better way to learn. That interaction gave us a chance to start networking, my class even started our own Facebook page. Even found time to take in some of the history and beauty of the grounds. Thank you again for this learning opportunity. I hope with what I learned and brought back to my local 1166 I am able to better our already great Women's Committee as well as myself as I continue to grow as your union sister and steward.

Thank you,
Jamie Smith

NAACP CONVENTION

A Letter From Rochelle Swygert

I would like to thank the local for sending me to the 113th National NAACP Convention. It was a great learning experience. There was different breakouts that you could attend. I attended one for the union workers I was amazed to learn that fishermen are part of the union. They are company in Virginia. There were lots of great speakers there for us to listen to. A few of the speakers that were our VP Kamala Harris, UAW President Ray Curry, Collette V. Smith and Ben Crump just to name a few. The VP mainly spoke on the rights a woman should have for her body, A lot of the younger generation wanted her to speak on student loan debt and getting rid of it. Collette V. Smith is a very speaker and person. She is NFL's first African American Female Coach in NFL history and NY Jet where she is the coach. UAW Ray Curry was also great.

We voted on new resolutions so were new and some were reworded. There were lots of them to get though. Once again I would like to thank the local fo sending me to this it was nice I learned a lot.

In 1962 Jack Erlenbaugh, a toolmaker at the Chrysler Casting Plant, invited some of his friends to the Peru Municipal Golf Course for a day of golf and snacks at his house following the round. Jack didn't play golf, however, he enjoyed having his friends play while he drove around in a cart and visited with everybody. Then they went to his house for snacks. Some of his friends were the Titus clan (Joe, Ken, and Dick), Ron Grant, Bill Tudor, Sr., Dave Lott, Pete Rogers, John Bugher, Ed Kirkpatrick, Don Manning, and Tom Steele. They made a day of it and had a ball. They also played in all kinds of weather as they would play in the spring. There were stories of snow, sleet, and rain, but they played through it all and then they would go to Jack's house and the stories would fly about the golf and the weather. They had fun, and upon return to the plant, they relayed their good times to others. Soon others joined in the golf and the Erlenbaugh's enjoyed the friendship and the company. Eventually it grew to the size that a grill was moved to the golf course where hamburgers and hot

dogs were cooked. Everybody put together their own teams of family and friends. You can't imagine the number of memories and stories that grew out of this day of golf and fun.

A golf committee was formed as it grew. Ted Street and Bob Parker spent many hours organizing the event each year. With input from Jack Fivecoate, Dave Lott, and Ron Grant, they made sure it was going to be a good day. They were all close friends and played countless rounds together. When Bill Tudor, Sr. passed away, the golf committee added his name to the event in remembrance of a good friend and a fun golf partner. That is how it became known as the Erlenbaugh/Tudor open.

There have been some pretty good stories come out of this outing. During a snowstorm one year, a cart slipped down a hill and into the creek. They pushed it out and kept on playing. There have been two holes in one. Bob Parker and Dave Lott hold that title. There have been long drives, short drives, closest to the pins, closest to the lines, most hot dogs eaten, most balls lost (Pat Cooper) and one year, the longest time to finish a round.

What started out as 15 - 20 people getting together to play golf and eat has turned into over 200 people now. Each year new stories happen, and old stories come back to the front. As this is more than just playing golf and eating food, it is about friendship, good times, and memories of old friends and the stories...the new ones not yet told and the old ones that will never get old.

Thanks to the gentlemen who started this. You have touched many people. You have created friendships that would have passed by had it not been for the Erlenbaugh/Tudor Open

-By: Bill Tudor Jr. & Jack Fivecoate

Dear Josh and Adam!

Remember?

UAW 38TH Constitutional Convention
June 25-28 Detroit, Michigan

Again, we want to Thank the membership for electing us Delegate's to the 38th UAW Constitutional Convention. Attendance was 326 UAW Locals, 853 Delegates, 121 Alternates, 10 Retirees. We had a few guest speakers including Gary Peters, Michigan Senator, Derrick Johnson, President NAACP, Debbie Dingel, 12th District Congresswoman, Liz Schlouler, AFL-CIO President, Gretchen Whitmer, Michigan Governor, and Marty Walsh, US Secretary of Labor.

Throughout the convention, Activist Awards were presented to Owen Beaver, and Derrick Johnson. There were many articles that were brought to the floor for a vote, and or changes if you could get enough votes off the floor to change an article wording or pull out an article from submitted resolutions that did not get approved to be voted on. To pull an article or add you had to have 516 votes. The last time we had this many submitted proposals pulled out of committee to the floor for discussion and vote was 1984.

President Ray Curry had stated prior to convention Retirees were not allowed to run for any IEB position and UAW Monitor allowed and motion was set that no retirees could be nominated and accepted to be on ballots.

Article 11 Sections 1,2,3,8 Salaries were passed by roll call votes Resulted Yes – 509 & No – 194. All UAW 1166 Delegates voted NO.

On Monday, proposal was made on the floor to change the strike fund weekly pay out to be changed from

current \$275 and starts on 8th day of Strike to be \$500 weekly and start Day 1 of Strike. Motion Passed. Then came Thursday the Detroit Regions that out numbers all the rest of the regions all together put a motion on the floor that this approved proposal that was approved if all the Big 3 went out at 1 time could put a major hurt on Strike fund. He made a motion to resend the change we had voted yes to read \$400 and start day 1. UAW 1166 Delegates all voted for \$500 weekly and Day 1 start and voted no for the change back to \$400. Tuesday brought 2 critical resolutions to the floor for a vote. This required at least 15% to pull resolution to floor. The resolutions were the Reject Tiers which 282 delegates voted to bring, and retiree eligibility for IEB which 204 delegates voted to bring to floor for votes. After long debate both amendments were defeated on final votes where they needed over 516 votes to change.

On Wednesday, there was much discussion brought up on the floor for absentee voting. Right now, to request an election absentee ballot you must be out of the plant on union business only. Vacation, Sick Leave, PAA Day, etc. cannot request an absentee ballot and vote while out of the plant. This proposal was defeated 565-94 votes.

Then discussion turned to what we have to pay the court appointed Monitor due to the corruption in the UAW money scandal. Since he was appointed in 2021 to current it was reported @ \$13,379,970.00. This figure includes the cost of the upcoming referendum election for IEB positions.

Then we had nominations for all positions, President, 3 Vice Presidents, Secretary Treasurer, @ Trustees. Regional Directors were also nominated in region only break our sessions.

The trustee positions were nominated and voted on at convention. All other positions you will be receiving a ballot in the mail to you at your current address on file at the local. There were 3 regions that current directors retired. Our current Chrysler/Stellantis Vice President Cindy Estrada is stepping down as VP and going back to UAW Organizing. Shawn Fain from UAW 1166 Kokomo Casting Plant was nominated by UAW 1166 to run for UAW President, he also had a slate with Margaret Mock for UAW Secretary Treasurer, & LaShawn Houldieson was nominated for Trustee, but that position was voted in from convention floor and she did not get enough support. Current President Ray Curry, Secretary Treasurer Frank Stuglin were also nominated and will be on ballot. Tim Bressler was nominated to run for Chrysler/Stellantis Vice-President.

Dana Davidson & Emilio Ramirez were nominated and elected to fill the 2 Trustee positions.

Some of the Proposals brought to the floor that could be of interest to membership, #0369 Article 19 proposal was brought to floor and was referred to the CBC – National Contract. This was proposal was about equal pay for equal work.

Article #8 & 10 This was to change the Constitution language ref how Officers will be nominated, and mail voting & Trustees voted @ convention to the agenda. This motion was passed.

Article 10 proposal was brought to the floor for changes to be secret ballot mailed for UAW Executive Board members to all UAW members to vote. Ballots are to be sent out October 17th and they must be

**BUILDING OUR
TOMORROW
TODAY**

RECIEVED by November 28th, Motion Passed. Please make sure your mailing and E-mail address is current

with the Local, ballots will be mailed to the address on file.

Article 10 Sections 2,21 changed some of the UAW Regions. It did not affect Region 2B. We are still Indiana/Ohio. Motion Passed

Article 11 Sections 1,2,3,8 Salaries all executive board members 3% base salary raise. Motion Passed

Article 44 – Local Union standing committees had Organizing added to list.

Article 2, Section 2 – gender neutral language was added

There is a push to get a Walter Reuther Stamp you can sign petition at bit.ly/ReutherStamp

Again, we want to thank our membership for voting us Delegates and the opportunity to represent the membership of 1166. We also just want to remind everyone next year will be a National Contract year and to make sure you take time and write up proposals for any changes or updates you would like to see in the National contract. Not all proposals will make it to contract for consideration but what you write up just may start a conversation on the topic. If you want to submit a proposal, there will be forms that will come out to submit proposal on but in mean time start writing it out and if it's a current language in National contract make sure you reference # and location.

If your interested in any the books or reports, we got at convention please let us know and we will share any information provided to us for member-

ships information.

A Letter from the Alternate Delegate: Bryan Williams

My experience at the constitutional convention was a great one, from the atmosphere to kindness amongst members was more than I had expected. It was a very interesting experience to sit back, take notes, observe and learn from the procedures, the debates and presentations. Watching members stand up and have their voices be heard during debate was probably my favorite part. Debate stayed for the most part respectful and on point but there were also a few times where it didn't but that just tends to happen when people are passionate. We got to witness some items be pulled from committee to be debated and voted on on the floor and got to witness some changes such as strike pay from day one and while temporary an increase in strike pay from \$400 to \$500. I was also in awe of the higher education sector while there, they were incredibly well spoken and very, very prepared to debate those items which they sought to change. We got the opportunity to hear some great and passionate speeches while we were there that got a great and loud response from the delegates. One thing that I always love with UAW functions are the moments spent talking with brothers and sisters and sharing bits of time picking their brains, learning from the individual experiences of each of them and just getting to know new people from

different areas and sectors. I am very fortunate that you all voted for me and allowed me to be an alternate and to go and witness and partake in this convention. It helped me continue to grow as a union member and I was honored to represent UAW 1166
