**EMPLOYEE ASSISTANCE
PROGRAM**

My name is Craig Eden and I'm the UAW International appointed Representative for Local 1166. I have been at Chrysler 29 years and started out in Die Cast. I took an apprenticeship through Chrysler and became a Toolmaker. Around 8 years ago I had a daughter that was needing help and I went through the EAP(Brian West) and got her help. After that Brian asked me if I would be interested in helping people with various problems as his alternate. After Brian's passing I eventually got the job as EAP for 1166.

The EAP job can be quite the handful at times but also can be so very rewarding when you can help to change someone's life for the better. We have a great program that our union negotiated for and should be utilized by its members who need help. I am always available to anyone who asks for help and have several resources that can assist them in getting the help they need. Thanks for your time and letting me represent in this process.

One of the things that burdens me so deeply...Jesus touched so many people that society deemed unclean. (Lepers, the sexually immoral, tax collectors, and all kinds of various "sinners") Literately he went to the absolute "worst of the worst sinners" and loved them.

Jesus would have been shunned by so many churches today, because he didn't ascribe to their doctrine, He hung out with the wrong group, and extended grace to those whom religion said was not worthy of God's love etc... If your beliefs keep you from "touching" someone or a group of people (talk to, treat like they are made in the image of God, respect, love and value etc) then you have religion and not JESUS.

SOOOOO much of my time is spent dealing with pain and hurt caused by religious people. People can't see the real Jesus because he gets presented to them in religion. JESUS never once rebuked a "sinner". His wrath was ALWAYS at the religious person. Perhaps- we are the pharisees in the Biblical text. God help me not be the stumbling block that keeps people from seeing you.

Love God..... Love others.... even those that sin differently than you... That's what JESUS actually did.

Thoughts from Chaplain Terry Lindsay

ELECTION COMMITTEE

Committee Chair: Stacy Donelson

The election committee taught me a multitude of things. The committee taught me team working skills and interpersonal skills. Most staff are unaware of the impact that they can have within their workplace. Being involved in elections and the committee can have an immense impact on day to day working conditions. The committee also taught me how to speak up for causes I truly believe in. Getting out and getting involved in your union and meetings is key to making changes you want to see happen. Resources are out there waiting to make a difference within the workplace. I learned by having a membership and being a part of this team, that there is classes, resources, and other peers out there to help. Our union stands one when situations arise. Our union puts an emphasis on not backing down and fighting for what is right. Our union fights of us.

WOMEN'S COMMITTEE

Committee Chair: Rochelle Swygert

The Women's Committee has been pretty busy this last month!

Some of the things that we did were: we hosted a pop up shop, for Mother's Day we delivered gifts to the ladies at Wellbrooke nursing home, we also hosted a last day of school pizza party for our pre-K class. We gave each kid a gift bag and a nice basket for the teacher. I would like to thank everyone that helped us make our events a success. A special thanks to Dave for helping us with the pizza party. Here are a few pictures of what we have been up to.
