**EMPLOYEE ASSISTANCE  
PROGRAM**

**My name is Craig Eden and I'm the UAW International appointed Representative for Local 1166. I have been at Chrysler 29 years and started out in Die Cast. I took an apprenticeship through Chrysler and became a Toolmaker. Around 8 years ago I had a daughter that was needing help and I went through the EAP(Brian West) and got her help. After that Brian asked me if I would be interested in helping people with various problems as his alternate. After Brian's passing I eventually got the job as EAP for 1166.**

**The EAP job can be quite the handful at times but also can be so very rewarding when you can help to change someone's life for the better. We have a great program that our union negotiated for and should be utilized by its members who need help. I am always available to anyone who asks for help and have several resources that can assist them in getting the help they need. Thanks for your time and letting me represent in this process.**

# SUPPORT THE STRIKE

The Big 3 automakers have failed to offer a fair and equitable agreement, leaving no choice for UAW Big 3 autoworkers but to **STAND UP** and strike out against Corporate Greed! UAW members are fighting to win back concessions given up when the Big 3 were on the verge of bankruptcy because now, Ford, GM, and Stellantis are incredibly profitable but have failed to provide workers their fair share of the wealth UAW members have created. The incomprehensible profits and executive pay rob every working person and the American economy and fuel the race to the bottom.

# COMMUNITY SERVICE COMMITTEE

Committee Chair: Copper Hoosier

Hello brothers and sisters of Local 1166,  
Your Community Service Committee needs your help.

October brings the annual We Care Trim-A-Tree Festival a start. We will be decorating a 7½ ft. tree in a “Hot Wheels” theme. A few of our community service committee members will go in on October 29, after mall hours and try to decorate the best tree in the building, and stock it full gifts. This tree sponsorship stands to benefit selected local organizations that provide assistance to the disadvantaged and less fortunate as well as the mentally and physically challenged within our community. We will need all our committees and all our members to help in this endeavor. We will need donated gifts under the tree. No item too big or too small. They can be wrapped or unwrapped gifts. I just need to know what kind of item it is to write down for the description letter for the auctioneer. For example: toys, items of clothing, blankets, electronics etc. I know things are in an unknown place for us right now but we still need to let the community know that our local is here and still willing to help. Especially knowing how they help others and are willing to help us as well. Let’s brighten some children’s Christmas!! If there is a member out there who would like to volunteer to put the Hot Wheels Power Wheel Jeep Wrangler together I would greatly appreciate your services. The auction is set for Sunday November 12th at 5:00pm if you would like to attend. All are welcome and appreciated.

In Solidarity,  
Copper Hoosier

**"The union has promised a more aggressive approach to bargaining with the Detroit Three."** 3/27/23

## ***Our union is back in the fight.***

We took cuts in hard times to save the Big Three. Over the last decade, **the Big Three made \$250 BILLION** in profits in North America from our hard work.

**It's time to set things right.** Together, UAW members are mobilizing to:

- End Tiers** - No More Second Class Workers
- Restore COLA** - Fair Pay for Our Families
- Secure Jobs** - No Plant Closures & Good EV Jobs

**Our contract expires on Sept. 14** and we're mobilizing now to win the strong contract our families and communities need. Sign up below to take action and get bargaining updates.

# UNITED FOR A STRONG CONTRACT

**Bargaining FAQs.** Our union contract with the Big Three expires on Sept. 14. Here's information about our member-driven campaign to win the strong contract we've earned.

**What can I do to win a strong contract?** Sign up with the QR code below to join the fight and get updates on bargaining and local contract actions. Our bargaining team is only as strong as the members behind them. The Big Three are looking to see how hard we're willing to fight. By joining the fight, you make our bargaining team that much stronger.

**Are we going to go on strike?** The Big Three have the money to meet our demands. But if they don't, we're getting strike-ready. Members voted to raise our strike benefits to \$500 a week. That's a boost, but members have been putting money in the bank so we can go one day longer, one day stronger. Start saving now if you haven't already.

**The union has always picked a strike target in the past. Which company will it be this time?** We're not tipping our hand because we don't want any of the companies to get comfortable. We have big demands at all three employers, and they need to know we're coming for all of them.

**We're fighting to end tiers, restore COLA, and win secure jobs. Are these our only demands?** No. UAW members and retirees have a lot of pressing needs. Our bargaining team has put together strong proposals to win what all our members and retirees have earned. But bargaining teams are only as strong as the members standing behind them. We need a might army of members to win big at the table.
