**EMPLOYEE ASSISTANCE
PROGRAM**

**CRAIG EDEN
OFFICE: 765-454-1066
CELL: 765-610-3536**

My name is Craig Eden and I'm the UAW International appointed Representative for Local 1166. I have been at Chrysler 29 years and started out in Die Cast. I took an apprenticeship through Chrysler and became a Toolmaker. Around 8 years ago I had a daughter that was needing help and I went through the EAP(Brian West) and got her help. After that Brian asked me if I would be interested in helping people with various problems as his alternate. After Brian's passing I eventually got the job as EAP for 1166.

The EAP job can be quite the handful at times but also can be so very rewarding when you can help to change someone's life for the better. We have a great program that our union negotiated for and should be utilized by its members who need help. I am always available to anyone who asks for help and have several resources that can assist them in getting the help they need. Thanks for your time and letting me represent in this process.

I want to thank the executive board and the membership for allowing me to attend the Employee Assistance Program (EAP) Conference at the Walter and May Reuther UAW Family Education Center at Black Lake. It was held on September 25th-30th. I was happy to represent 1166!

Let me explain the EAP Program. It's a worksite based program designed to assist in the identification and resolution of productivity problems associated with workers impaired by personal concerns. Some of the concerns are health, mental health, marital, family, finance, alcohol, drugs (prescription or illegal) and legal issues. Any issue a member or family of a member who's having you can speak to our EAP Rep (Craig Eden). He is here for you at anytime. It is strictly confidential!!!

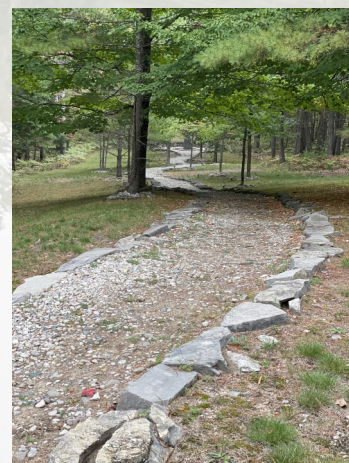

Lectures and class room subjects were EAP Core, Addiction and Recovery, Mental Wellness and Early Intervention, Disaster Workers Resiliency Training, Multicultural Awareness, Legal and Ethical Practice for the EAP Representatives.

I can't say enough about the instructors. They keep the subject's interesting and they were all quite comical. Everyone participated and everyone I met was very friendly.

If you've ever been to Black Lake you know how much they feed you. So, on my down time I hiked. Just about every evening between class and dinner. Up over a bridge and through a wooded area they have trees that were donated from different countries and the Reuthers Memorial. There are bricks you can purchase in the library for UAW Members that have passed. I found the brick I purchased for a family member and Ashley Kennedy purchased one for brick for Brian West. Both bricks were purchased about 4 years ago.(See pictures)

It was a great trip! Learning new things about the EAP and the UAW. This trip by myself was good for my soul.

Thank you again,
Wendy Browning,
EAP Alternate

1166 COMMUNITY SERVICE COMMITTEE

Nov 4 & 18

These funds are used for the Children Christmas Party that the Chaplains Committee hosts for the Bridges Outreach Project 30 children and their mentors.

Dec 2 & 16

Project 30 provides adult mentors and volunteers (starting with elementary schools) from churches, businesses and our community to mentor, tutor, or assist the schools in any area of need. The staple of this program is community volunteers mentoring 30 minutes a week at local schools with students one-on-one. The goal is to have mentors stay with their students through elementary school and then pass them onto Bridges middle school programs.
